Pleasant Croatian Zagorje and Ethno Village Kumrovec – Charm of the colourful farmland and the peasant life

Beautiful, round-shaped hills with hillside vineyards and typical Zagorje – style cottages, small rivers and creeks, colourful woods, picturesque villages, late medieval castles, churches and other monuments are evidence of the culture of the Zagorje peasants through history. Each village and each small town of Zagorje has its own specific charm, its tale will certainly impress each visitor. A special part of this locality is Kumrovec, with its exceptionally valuable and attractive ethno-village. About thirty village houses and farmsteads from the end of the 19th and the beginning of the 20th century have been restored and renovated under the name of The Old Village. The second special site of interest is the castle Veliki Tabor, a historic monument of the highest category, the finest example of the fortification architecture of the late Middle Ages. It is one of the best-preserved mediaeval burgs in Croatia.
